

Southwest Suburban Denver Water & Sanitation District

P.O. Box 3399
Evergreen, CO 80437

BILLING INFORMATION CHANGE REQUEST FORM **PROPERTY MANAGER**

The District only sends bills to property owners at the property address unless a signed authorization is submitted by the property owner asking the District to send bills to an alternate address and/or alternate name. This form should only be used to request changing the billing name and address to a management company if they will be responsible for paying the bill for the owner.

IF THE MANAGEMENT COMPANY DOES NOT PAY THE BILL: It is the management company's responsibility to pay all service bills from the date this request form is submitted until the property owner submits written notification to the District for an additional change of billing information. By signing this form, the property owner acknowledges that they are ultimately responsible for the payment of the District's bills. All charges billed for a property remain as an encumbrance on the property until paid and is subject to the Rules and Regulations of the District. Delinquent accounts are subject to water service disconnection under the Rules and Regulations of the District. Delinquent accounts may also be subject to liens and collection on the property tax bill for the property.

IF THE MANAGEMENT COMPANY CHANGES: It is the responsibility of the property owner AND the management company to notify the District if a new management company will be taking over the responsibility for paying the bill for the owner. The District does not prorate bills, so it is the responsibility of the owner to obtain an account status from the District if they wish to make additional billing information changes.
